Snowy Christmas Slideshow - AE Project VH-21057906:

The **Snowy Christmas Slideshow** by Chuckwalla is a versatile After Effects template suitable for various events such as Christmas, birthdays, anniversaries, and New Year's.

It can be used to create a variety of slideshows and video projects, including travel adventures, holiday reels, and social media content.

The template features two versions: a short version with 7 media and text placeholders (54 seconds) and a long version with 21 placeholders (2 minutes 34 seconds).

The project is easy to customize, with a modular structure that allows for quick duration adjustments.

It supports both images and videos, requires no plugins, and works with After Effects CS5 and higher.

The template is fully customizable, offers Full HD (1920x1080) resolution, and includes a video tutorial for ease of use.
