**FontAwesome Pro 5.15.1:** Access vector icons and societal logos on your site using Font Awesome, the net's most popular icon collection and toolkit.

### Professionally Produced + Pixel-Perfect

Each and each emblem is devised from scratch contrary to standards and guidelines formulated in years of experience of designing and displaying icons. The end result is a constant look and feels that cross tens of thousands of icons over three unique fashions.

### Near-Infinite Icons

Font Awesome has grown to have more than 5,000 icons also proceeds to bring the hottest and desired icons. Cease hunting down lost icons you require, combining from several collections, or locating that organization's official emblem in a cluttered corner of the world wide web.

### Play Our Icons

Our icons are Simple to work with on the Internet from the box. And that box comprises support styling that will assist your in size, location, design, and also reestablish any icon. See what you could do with a single line of the easy to recall code.
