History Timeline // Glass Slides VH-21707189: Introducing the History Timeline // Glass Slides project, meticulously crafted for seamless integration with After Effects CC2015. Experience the brilliance of Full HD Resolution (1920x1080) without the hassle of additional plugins. This template boasts Universal Expressions and a Modular Structure, ensuring effortless customization tailored to your needs.

Embark on a journey through time with 12 placeholders for both content and titles, accompanied by a dedicated space for your logo and introductory text. With two versions of color correction and detailed video tutorials included, mastering this project is a breeze.

Unlock the potential of two controllers designed for swift project editing. The first controller grants you control over project parameters such as letterbox size, black-and-white toggling, chromatic aberration, background color, shadows, light leaks, elements, and colors. Meanwhile, the second controller empowers you to fine-tune text settings with options for toggling, scaling, and positioning.

The History Timeline // Glass Slides project is meticulously organized, comprising 14 scenes seamlessly integrated into the main composition. Effortlessly navigate and customize each element to bring your vision to life. Simply insert your photo or video files, tweak the text, and watch your opener come to fruition.

Experience the pinnacle of versatility and creativity with History Timeline // Glass Slides. Unleash your imagination and create captivating timelines with unparalleled ease and sophistication.
