#### LUT Color Presets for DaVinci Resolve VH-31728553:

This product provides a collection of 510 professional LUT color presets for DaVinci Resolve, compatible with versions 16, 17, and 17.1 and optimized for M1 users.

These presets support various resolutions, from 1080p to 6K, and work with any frame rate, making them versatile for use with different cameras, including drones.

The pack features 18 categories, such as Cinematic, Hollywood, and Black and White, tailored for filmmakers and videographers.

Installation is straightforward, with drag-and-drop functionality, and users can easily apply multiple presets at once to create unique visual effects.
