What is Dark and Moody Lightroom presets CreativeMarket-6281502?

CreativeMarket is a platform where creators can sell and purchase various digital products, including Lightroom presets.

"Dark and Moody Lightroom presets" refer to a set of pre-defined settings or adjustments that can be applied to photos using Adobe Lightroom. These presets are designed to create a dark and moody aesthetic, which is characterized by deep shadows, rich and subdued colors, and a dramatic atmosphere. Such presets are popular for creating a specific mood or style in photography, often associated with fine art, portrait, and landscape photography.
