Charcoal Drawing Photoshop Action CM - 7436787:

The **Charcoal Drawing Photoshop Action** is designed for photographers and designers to enhance images with a charcoal drawing effect, creating unique and striking visuals. Compatible with Photoshop CC2020 and later versions, including CC2022, this action provides high-quality results and is easy to use. Key features include:

- **File Includes:** ATN (action file), brush file, 10 color options, and masking option.
- **Instructions:** Resize the image to 3000px by 2000px at 72 resolution, create and paint on a new layer named "paint," then apply the action.
- **Features:** Works on any photo, easy to customize, with organized layers and a user guide for simple installation and use.
