ASH Attracts code-editor Syntax highlighting to AE text layers! Best for FUI musicians everywhere!

Code Highlighting for AE Text Layers

FUI Artists: constructing plausible code displays is only the worst.

Having to Manually pick any other phrase into a text layer and place it to another color?

Tedious, dull, and vulnerable to mistake -- therefore allow **ASH Syntax Highlighter** color it to you!

Just Pick a text coating of the (real) code, then select your Language and subject, and we are going to care for the rest!

Employing a Based syntax highlighting libraryASH brings actual code highlighting into AE text layers.
