

## Presentation With Amy Construction Worker (Videohive 37313431) - AE Project

2025-02-10 17:01:27 label 我要反馈 下载页面

The sleek and clean character lip-syncs and presents in your own voice. Flexible movements and images shown by the characters create an impressive pull on viewers. The full 3D character is available to join your project. Only available through Videohive.

Change the coloring of the character to what you'd like. Create natural-looking character actions by combining motion and making the lipsyncing and timing in line with the voice audio. The entire process is simple, simple, Rapid!
