91Vocals Salvo Dark Silk Vocals (WAV): Salvo presents Dark Silk Vocals, her long-awaited vocal sample pack in collaboration with 91Vocals. A vast collection of high-quality vocal hooks and full phrases that have layers of harmony, as well as dark melodies. To get ideas and layers explore exclusive recorded vocal loops that have been processed, as well as vocoded hooks one-shots as well as spoken words. Great for EDM dark electronica heavy bass music and more. Every vocal sample has a key and tempo information associated with it.

Salvo blends the dark intensity that is dark electronic pop and classical style, delivering powerful and cathartic vocals that tug at the listener's heartstrings. Since her debut album of electronic music back in 2017 she has regularly recorded and collaborated with world-renowned artists like Unknown Brain, Lox Chatterbox, Svnivan, and Robby East with a total of over fifty million streams. British record company NCS has named her one of 2021's most popular female artists to keep an eye on. She has cultivated a grassroots base of fans who are devoted to her constant releases, as well as significant successes on live streams and in social media.
