- **Compatibility:** Compatible with After Effects CC 2021, 2022, 2023, 2024, and above.
- **Resolution Options:** Supports 4K (1920×1080) and (1080×1920) resolutions, ensuring high-quality transitions for a range of project needs.
- **Frame Rate Support:** Available in both 30 fps and 24 fps, making it adaptable to different cinematic styles.
- **No Plugins Required:** Works seamlessly with After Effects without the need for third-party plugins.
- **Universal Expressions:** Designed to work with any language version of After Effects, ensuring global usability.
- **Ease of Customization:** Simple to modify with a dedicated control layer to easily change settings, enabling quick adjustments to suit the user’s preferences.
- **Free Sound Effects (SFX):** Includes free sound effects to complement the transitions, adding realism and depth to your animations.
- **Tutorial Included:** A detailed tutorial file is included to help users understand the setup and customization process.
- **Preview-Only Assets:** The music, images, and videos used in the preview are not included in the project file but are used solely for demonstration purposes.

This pack is a perfect solution for video editors looking to elevate their projects with smooth, creative paper-style transitions, combining ease of use with high-quality results.
