Toyota Hiace Van Mockup GraphicRiver - 34961426

2025-02-10 16:42:02 label 我要反馈 下载页面

Toyota Hiace Van Mockup GraphicRiver - 34961426: The set contains eight perspectives and eight PSD Files. Professionally display your brand's image. It's simple to use thanks to its organized structure and Smart Objects—simple camera shots to ensure the best composition. Allow your client to view his vehicle before the production stage. It's also trendy and influential in convincing your customer to support your idea.

- 8 PSD Files (8 different views)
- High resolution of 6000x4000 pixels (Printable on an A3 standard sheet)
- Use your designs with Smart Objects (Blueprints help you place your design in a precise manner)
- Realistic renderings of photos
- Clean look
- Easy to Edit/Customize
- Transparent windows
- Simple camera shots for a more compelling composition
- PDF Help file is included
- · Vehicles are not included.
