

Audio Music Visualizer Stories (Videohive 34016008) - AE Project

2025-02-10 17:14:14 label 我要反馈 下载页面

Audio Music Visualizer Stories VH-34016008: Stories of audio music visualization - stories about music to be used in the after-effect template. Utilize these stories to advertise your music on Instagram. You can add any song and create a visualizer that matches your own rhythm. It's easy to use - 8 placeholders for video or photo, 8 different tracks, and modifiable text. Then you will be able to create a music-style video. This music template might be ideal for DJs or brand managers or even graphic designers.

- 8 Scenes for stories Instagram
- Color Control
- Video tutorial included
- **No plugins required**
- Resolution High (1080x1920)

100% Virus FREE and Safe
