This font reminds me of the reason I fell in love with handwriting - bold and messy handwritten quotes that transform inspirational words into stunning visual works. Alongside prints and quotes, The Roughly would be perfect for headings and logos.

Gfx plugin details of The Roughly Script Font

The product is in the **Other category**, for more information about this post you can click on the home page link in the sidebar. To search for similar products to The Roughly Script Font,

What you receive:

The Roughly script (TTF, OTF & WOFF)

To make use of the swashes you require an application that can support OpenType features like Adobe Illustrator CS, Adobe Photoshop CC, Adobe Indesign, and Corel Draw. It is not necessary to install any special software to make use of them in their simplest form.
