Strong Black Web Promotion - AE Project VH-34193625: The best method to promote your laptops or website is this template! Innovative project for promotional web pages or landing pages in a striking style and with original motion design.

A STRONG BLACK WEB PROMOTION

Strong Black Web Promotion is the template that could be used to demonstrate and advertise services, applications as well as websites, and their user interfaces for Laptops (MacBook). The placeholders can be used to create videos, screenshots, and any other animation.

You can also use this to create a mockup for your MacBook. Each scene is pre-rendered.

Web promo is the continuation of the popular series and is completely designed within After Effects. It is a great way to advertise your brand new app or site! Simply drag a photo of your website onto your screen's placeholders and then change your text, and then render.
