640 Studio – Automotive LUTs: All your creative essentials in one comprehensive package:

- **Transitions:** Easily navigate through a vast collection of transitions and seamlessly add your favorites with a double click.
- **Text Presets:** Choose from hundreds of presets, including lower thirds, pan motions, vintage text, and cine titles, to elevate text-based content.
- **Overlays:** Enhance your visuals with an array of overlays, including CRT scans, VHS effects, film essentials, grains, burns, and more.
- **Cine Title:** Explore movie-inspired pre-made titles with vintage controls. Fully customizable, complete with included fonts.
- **Motion Graphics:** Customize iPhone pop-ups, text messages, icons, subscribe buttons, Instagram geo-tags, and more within the extension.
- **Post-Production Filters:** Did you forget to capture it during filming? No worries. Apply diffusion filters, fish-eye lenses, 4K anamorphic lens flares, and more during post-production.
- **Film Essentials:** Access everything vintage, from motion film mattes to grains, burns, leaks, scratches, dust, hairs, and more.
- **Sound Design:** Enhance your audio with cinematic, horror, action, foley, explosions, wooshes, drones, drops, bass, and more.
- **CRT:** Explore abstract overlays, fonts, numbers, symbols, text presets, and vintage controls for a unique touch.
- **Textures:** Add depth to your visuals with textures like tape, wrapper, and paper, all provided in high-quality PNG format with alpha.
- **VHS Emulation:** Immerse yourself in the VHS experience with tape VHS sound effects, static overlays, and additional post-production add-ons.
- **Updates:** Stay up-to-date with the latest features and improvements. Seamlessly navigate through thousands of transitions, double-click, and add your favorites, all conveniently available in one place.
