Rock The Speakerbox Melee: Bring your battle scenes to life using the most comprehensive sound design toolkit for hand-to-hand combat. Rock The Speakerbox presents MELEE, an audio library specialized in jaw-splitting action and unbridled, raw violence.

On stage and created by award-winning music designers, MELEE includes 4GB of HD high-quality music spread over 1596 sounds of the construction kit and 288 custom-designed sounds. From kicks, punches, blocks, bodies, grabs or slaps, bones breaking, and blood splatters, MELEE is the best toolkit for a sound design suitable for hand-to-hand combat.

Get rocked.
