Film LetterBox Overlays Pack For Premiere Pro: Old Film, Grunge, Gritty, Cinematic, Timeless Borders (VH 54306060) - PR Project:

The Film LetterBox Overlays Pack for Premiere Pro offers a variety of old film, grunge, gritty, and cinematic borders designed to enhance the visual style of videos.

- **80 Film LetterBox Overlays**: Includes 20 styles, each with 4 unique aspect ratios for a total of 80 overlays.
- **Ultra-Lightweight**: Each project is only 100 KB, with the entire pack being 2 MB.
- **Fully Compatible with Premiere Pro CC 2022+**: Native .PrProj files with no external dependencies or pre-renders required.
- **Fully Editable**: 100% native graphics and effects, allowing complete customization.
- **Responsive Design & Time**: Adaptable to different video formats, ensuring proper fit and performance.
- **Drag-and-Drop Functionality**: Easy to apply overlays with real-time rendering for fast, efficient use.
- **Diverse Styles**: Offers a variety of cinematic looks, including classic, indie, gritty, grunge, and timeless film effects.
- **Cinematic, TV, and Creative Formats**: Includes standard, widescreen, circular, and vintage overlays for different project needs.
