

Crypto NFT – Youtube Intro (Videohive 36864715) - AE Project

2025-02-10 17:14:14 [label](#) [我要反馈](#) [下载页面](#)

The Crypto NFT Intro template is an After Effects template that can be used to present your crypto, blockchain, as well as NFTs with themed streaming online as well as reviews videos. It is possible to use the included Bitcoin and Ethereum logos or add an individual coin logo. It includes 6 placeholders for text and 2 logo placeholders. Your audience will be impressed by this innovatively animated template for AE. The template is also available with 4K resolution.
