Where can I download the product?

After subscription, You can download it for free from here.

Embark on a mesmerizing journey where the ocean's profound depths harmonize with the earth's serene hues. They are introducing Quest 32 Zalea, an invitation to wonder at the sea. Submerge yourself in the tumultuous yet earthy cobalt blues and seafoam greens palette. Meticulously crafted, Zalea Presets draw inspiration from the vastness and splendor of the sea, offering three distinctive color presets, two creative profiles, BRAND NEW Point Color presets, and a suite of tools to effortlessly attain dramatic, cinematic, and enigmatic tones.

Includes:

- Zalea 01: Features a blend of steely cobalt blues, deep teal, emerald greens, and lemon yellows. Comes with the Sky Recover mask for enhancing sky details and mood.
- Zalea 02: Showcases desaturated forest and sea greens along with rich blues complemented by earthy red ocher tones.
- Zalea 03: Exhibits warm citrine overtones paired with faded teal blues and light sienna earth tones.
- Zalea Cobalt-Blue Profile: Introduces deeper contrast and enhances cobalt blue tones.
- Zalea Sea-Green Profile: Enhances contrast and enriches sea-green tones.
- Point Color – Blue to Teal: Utilizes Point Color to shift blue tones towards teal.
- Point Color – Blues: Adjusts blue hues to evoke Robin's egg blue tones.
- Point Color – Browns: Transforms brown tones into rich, rust tones.
- Point Color – Greens: Modifies green hues to achieve deep, desaturated turquoise tones.
- Background Color – and +: Controls the saturation levels of background colors.
- Vignette: Adds a dark, dramatic vignette effect to the edges, sky, and ground of your image.

What is Archipelago – Quest 32 Zalea Presets?

Archipelago – Quest 32 Zalea Presets is likely a set of presets designed for the Zalea quest in the Archipelago game. Presets in gaming typically refer to predetermined configurations or settings that players can apply to customize their gameplay experience. In this context, the Zalea presets could be specific configurations tailored for the Zalea quest within the larger game. These presets might adjust various aspects of the game, such as difficulty level, character abilities, or environmental factors, to enhance or modify the player's experience during that particular quest.
