The World of Particles for After Effects VH-53520124:

The World of Particles is an After Effects template that offers a vibrant collection of bokeh and particle animation backgrounds.

Each animation comes with a color controller for easy customization, making it ideal for adding a festive flair to various projects such as celebrations, parties, birthdays, and cinematic scenes.

This template is perfect for creating eye-catching intros, dynamic presentations, and engaging social media content.

It features smooth, abstract animations with colorful, defocused lights and sparkling effects.

The project supports Full HD resolution, includes looped animations, and is compatible with After Effects 2021 and later versions.
