The Editorial Collection for Adobe Lightroom 4, 6, & CC, and Photoshop Adobe Camera Raw 7.0+ is now available.

The Editorial Collection targets fashion, beauty, and lifestyle photographers. This pack is designed to preserve natural skin tones and add subtle color toning throughout the image. It also includes contrast and light grains. We have found that they work well with images with neutral backgrounds.

Included:

- 20 Adobe Lightroom Presets
- 20 Photoshop Adobe Camera Raw Presets
- Instruction Manuals and links to the Support Center

More details:

- Compatible with Adobe Lightroom 4, 5, 6, & CC
- Compatible with Photoshop Adobe Camera raw 7.0+
- Windows and OSX compatible
- Fully customizable presets
- Use Raw or JPEG images
