

Instagram Stories Typography (Videohive 21724397) - AE Project

2025-02-10 17:12:29 label 我要反馈 下载页面

- 7 categories, 10 unique designs under each category
- Modular design and easy customization - all text and colors can be easily altered. All changes are created in a single 1080x1920 layout, so you could edit one piece of art and render three videos of various sizes.
- No plug-ins from third-party providers are required.
- Color controls that are super easy to use for any design
- Three sizes 3 sizes - 1080x1920,1080x1350, 1080x1080
- Image Enhancement tools for color correction flares, light leaks overlays
- Video tutorial included
