#### The Eerie Edition - Dark & Scary Sound Effects

Picture yourself at a place so entirely full of Ghoulish bad Sound Effects, surrounded by a dark and devilish series of Sounds your whole body pops in fright. Now listen... that the Sounds you may hear at the horror-filled haunt happen to be seized for Your Hollywood Edge's collection, THE EERIE EDITION. The Edge Team has become that Deep, dark spot where ghouls, ghosts, goblins, and things go bump in the night. Conceal and pull out of it, the most terrifying and haunting sounds captured. A number of Hollywood's top movie sound designers and the best talent in Movie writing have put their best efforts together to bring you the most up-to-date and spooky effects and songs yet!

Initially a 3 CD set, this particular download library is packed to The brim with audio effects, ambiences, odd vocals, upsetting music, Twisted metal, dry ice on metal, first and completely orchestrated musical Adjustments, and beds that'll be precisely what you want for this stressed, Frightening, horrible moment!

#### What is The Eerie Edition – Dark & Scary Sound Effects?

The collection boasts 297 royalty-free audio effects, covering a wide range of sounds to evoke a dark and scary ambiance. The library is described as having everything needed for creating tense, frightening, and horrifying moments in media production, making it suitable for various creative projects in the horror and thriller genres.
