- Links to fonts are included
- Works with After Effects 2019 and above

What is Boudoir Titles for After Effects?

"Boudoir Titles for After Effects" likely refers to a collection of After Effects project templates or presets designed for creating titles, text animations, or graphics with a boudoir or sensual theme. These templates can be used in video editing to add stylish and visually appealing titles or text overlays to videos, particularly those in the boudoir or intimate genre.
