- 1.
- 2.

The New Record Project is an innovative tool that empowers artists to elevate their upcoming albums with striking visuals, offering options to showcase the cover art on both Vinyl LP and CD formats.

How can artists use tools to design their future albums with stunning visual effects?

they can design their project from "New Record Project" in After Effects.

Where can I download the product?

After subscription, You can download it for free from here.

With rendering choices in 4K, Total HD, and 720p, it provides flexibility to cater to diverse preferences.

Notably, while it enhances visual presentation, the project does not include music, focusing solely on amplifying the album's visual impact.

"New Record Project" Samples:

Package information

This After Effects project, updated as of May 17, 2021, is designed for use with After Effects CC. It contains video files, image files, and project files, all bundled together. Clocking in at 1 minute and 27 seconds, it delivers crisp visuals with a resolution of 4096x2160. With 4 media and 16 text placeholders, customization is a breeze.
