The **Unity Asset - The Ancient Set - Dungeons** offers a comprehensive set of elements for creating large underground scenes and unique cave-like areas, perfect for building various dungeon settings. It is designed to complement the "Ancient Set Temples," allowing seamless integration between the two packs.

How to create large underground scenes and unique cave areas for your project design?

You can use "Unity Asset - The Ancient Set - Dungeons" to design your project.

The first release includes 467 modular prefabs, featuring walls, pillars, stairs, and floors, as well as pre-built rooms and props for easy scene creation.

"Unity Asset - The Ancient Set - Dungeons" Samples:

The pack also contains numerous props such as books, bookshelves, candles, chandeliers, treasure chests, bones, carpets, banners, bottles, potions, chains, sarcophagi, and gold coins, enabling detailed and diverse dungeon environments.
