Mastering the Carbon Stick Brush in Procreate: Embark on a captivating journey into the world of digital illustration with "Mastering the Carbon Stick Brush in Procreate," led by professional illustrator Maurizio De Angelis. Dive into the vibrant atmosphere of London's Columbia Road Flower Market, where you'll learn to capture the essence of colorful signs advertising three succulent plants for a fiver or the intricate details of a £5 note.

This Skillshare class caters to beginners and seasoned artists, offering a simple yet effective approach. With Maurizio's expert guidance, you'll build confidence using the Carbon Stick brush in Procreate, unlocking its evocative and visually stunning potential. Starting from canvas setup and brush adjustments, the course takes you through the composition's heart, allowing you to paint everything from leaves to petals with precision and flair.

Maurizio ensures a seamless learning experience, guiding you through each stage to master the technique while maintaining a consistent and attractive style. Whether you aim to enhance your digital painting skills or unleash your creativity, "Mastering the Carbon Stick Brush in Procreate" invites you to join Maurizio for an inspiring journey where imagination knows no bounds.
