

Epic Stock Media – Sci-fi World Guardians

2025-02-10 17:15:29 label 我要反馈 下载页面

Epic Stock Media – Sci-fi World Guardians: Science Fiction World Guardians is an impressive 4.9 1 GB memory and more than 2 hours of high-quality, seamless looping game-related ambiance. This library is designed for multiplayer games and space, dystopias fantasies, utopias, magical spaces, tranquil moments in games, RPGs MMO, as well as sci-fi games of all kinds and features the sounds of an automated shipyard data mining, electron flow engines, mother ship beats and conversions, moons of Venus deserted areas bioengineering lab empty space, holy home and a range of pulses, tech-based loops, wind, and many more.

Each loop is game-ready can be looped seamlessly and is approximately 1 minute long. Each main atmosphere comes with two different versions of the alt mix and you can choose from a range of layers that will enhance the game's atmosphere and scene. The combination of full ambiences, layers and alt mixes allows you to fully orchestrate the background music of your games in exactly the way you like it. If the complete loop has too much going on you can try a smaller version with the sound that you don't like, or by stacking layers to increase the energy of the ambient.

Sci-fi World: Guardians is the third installment in the Sci-fi World ambiance loop library series. The recordings are royalty-free and come in .WAV at 96kHz/24bit. This gives the highest quality for serious editing of sound or pitch-shifting as well as the processing of fx while maintaining an unbeatable quality of clarity and accuracy.
