**Epic Stock Media AAA Game Character HENCHMAN WAV:** AAA Game's Character HENCHMAN voice-over sound library includes more than 381 full-bodied games-ready voice-over files such as vocalizations, battle and triumph cries, cheers, individual character-specific dialogue lines, non-player character dialogue lines and everything you need to create cinematic scenes that are captivating with characters and unforgettable audio games.

The voice profile of the henchman can be described as an edgy, intelligent, sarcastic, and witty person with a bad temper. He is perfect for a criminal, mobster antagonist, villain minion, henchman, or any other menacing character required. The voice of the henchman is ready for your game in the same way and is in a clean audio format should you want to enhance the sound with voice effects.

### AVAILABLE IN ALL FILE FORMATS - NO NEED TO CONVERT!

The recordings are provided in the 96khz/24bit .WAV format, giving you the highest quality for editing sound, pitch shifting, and FX processing while maintaining an unbeatable quality of clarity and accuracy. In addition, AAA Game Character HENCHMAN offers multiple versions of the Library: 44.1k 16Bit .WAV and Game Ready MP3 file format, which means you don't have to convert files. Select the format best suited to your requirements and create immersive gameplay and cinematic scenes.

The AAA Game Character HENCHMAN voice-over effects come not only from high-quality voice recordings but also have thought-out, well-constructed written dialogue and vocalizations that create thrilling storylines, game trailers and characters in-game, thrilling scenes, and more.
