What is Digital Grid (Videohive 22936598) - AE Project?

The "Digital Grid" After Effects project on Videohive (item number 22936598) is a versatile template crafted for creating captivating digital grid-style animations. Supporting both vector and text data types, the template offers flexibility in incorporating dynamic vector graphics and textual elements into your scenes.

The project utilizes the Stardust 1.3 and Optical Flares plugins, enhancing the visual effects and animations with these tools. For accessibility, a prerender version is included, allowing users without the specified plugins to utilize the project still effectively.

With eight pre-designed scenes, users have a variety of setups to choose from, each offering a distinct visual appeal. Additionally, the inclusion of a vector icon from the preview adds to the resources available for customization.
