

Audio Spectrum Music for After Effects (Videohive 47365643) - AE Project

2025-02-10 16:38:47 [label](#) [我要反馈](#) [下载页面](#)

Audio Spectrum Music for After Effects VH-47365643: Audio Spectrum Music is a collection of animated backgrounds which react to the music you play! The template includes 21 backgrounds that have different animated sound waves that pulse. Each scene has color control, an editable text layer, and an audio placeholder to play your music. Use these awesome backgrounds to create a captivating setting for your music intros and decorate the background for dance parties, events, and much more. This project utilizes Trapcode Form, a plugin for creating forms. Trapcode Form plugin

- Resolution Full HD
