Unreal Engine - Blueprints WW2 Tank - Tiger 2 - Advanced Tank Blueprint: Welcome to the formidable Tiger 2 tank experience! Step into the cockpit and command a machine with unparalleled power and versatility. This tank boasts an advanced controller that intricately simulates track and weapon dynamics, immersing you in a hyper-realistic combat environment.

With rigged tracks, wheels, hydraulics, and a customizable blueprint, your driving experience can be as arcadey or realistic as you desire. Take control of the cannon and machine gun independently, aiming and targeting with precision and finesse.

- **Weapon Component:** Effortlessly customize effects and sounds to suit your preferences.
- **Projectile Component:** Fine-tune effects and sounds, with a bonus 203mm shell model included.
- **Sound Effects:** Engage with a rich auditory landscape, including idle, engine, cannon, machine gun, and more.
- **High Texel Density:** Experience maximum visual fidelity with 4 separate material slots and 2 wheel slots.
- **Particle Effects:** Immerse yourself in the chaos with impact, firing, dust, and fire effects, among others.
- **Destruction:** Witness the intensity as tanks engage in combat and destruction, with each tank featuring its own unique destructible static mesh and dynamic texture variations.
- **Advanced Chaos-Based Tank Controller:** Enjoy satisfying and realistic tank movement with collision avoidance for the tank body.
- **Turret and Weapon Control:** Navigate precisely, supported by collision avoidance for seamless operation.
- **Emissive Light Controls:** Customize the ambience with emissive light controls.
- **Rigged Suspension & Hydraulics:** Experience realistic terrain interaction with rigged suspension and hydraulics.
- **UV Animated Tracks:** Witness the dynamic movement of tracks with UV animation.
- **Track Decals:** Leave your mark on the battlefield with track decals.
- **Animated Cannon Recoil:** Feel the power with animated cannon recoil.
- **Demo Desert Level:** Immerse yourself in a realistic desert environment with the included demo level.
