**Abstract Shapes Titles for AE VH-45707426:** Abstract Shapes Titles is a classic and elegant template that contains an assortment of smooth animated text animations. Colors can be customized entirely, and it's straightforward to utilize! The project is meticulously grouped by name and is organized. You can use these titles to spice up your presentations, television shows, social media channels, etc. You can type text in any font, change colors and revel in the results.

- Smooth animated titles
- Full-color controls
- Links to fonts are included
- Video tutorial included
- Works with After Effects 2019 and above
