Frontline Producer Smooth Keys: Frontline Producer proudly presents an exceptional collection of professional sounds poised to infuse warmth and musicality into your compositions. Vintage Electric Piano delivers an authentic exploration of classic electric piano sounds, skillfully brought into the 21st century through ingenious production techniques and top-of-the-line hardware. Crafted by the best session players, this collection guarantees both excellence and 100% royalty-free content.

With over 500 MB of material, Vintage Electric Piano provides a diverse range of keys, tempos, and playing styles in multiple formats to cater to your creative needs. Included are WAV loops, Rex2 files, and MIDI files, making it suitable for various genres, from classic soul, jazz, funk, and rock to flipping vintage samples into hip-hop, drum 'n' bass, future bass, or any electronic style. The collection spans tempos from 90-120bpm, making it perfect for genres like neo-soul, disco, house, beats, rock, blues, and more.

The detailed content includes 500 MB of material, with all WAV files recorded at 24Bit & 44.1KHZ. The loops are divided into 190 sections, featuring 32 loops each at 95bpm, 105bpm, 110bpm, and 120bpm, as well as 31 loops each at 90bpm and 100bpm. The collection also includes 190 Rex2 files and 184 MIDI files for added flexibility in your production process.
