Austin Newman – VHS Glitches and Textures Overlay Pack: Made from actual VHS tapes, these vintage glitches and textures were transformed to HD to make them suitable for use in a cutting-edge video editing system. The VHS overlays included in this pack were designed to bring a real-life appearance to your footage, without the need to go into the tape.

In this pack, there are more than 50 videos:

- 5 Tracking textures from VHS on Tracking / extremely light to very heavy tracking textures
- 11. VHS static Glitches
- The Hi8 overlays and glitters
- Digital8 menus, glitters, and assets
- VHS-C Static Overlays and Glitches
- Video8 Glitches and characteristics
- It is compatible with Premiere, Final Cut, Resolve as well as many other editing software.
