Aescripts Auto Lip-Sync v1.12.000 (WIN, MAC) - Full Script
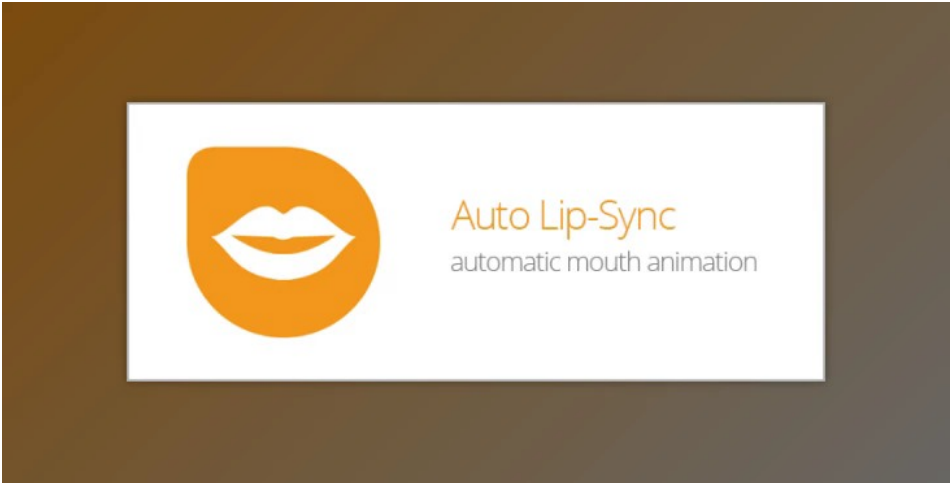

2025-02-10 17:10:58　　label 我要反馈　　下载页面

Aescripts Auto Lip-Sync (WIN, MAC): Produce a mouth That automatically animates Based on a Voice recording.

With Vehicle **Lip-Sync**, You're able to create a mouth that automatically adjusts according to your own voice recording.

- **Discussing CarAutomatic Animation:** Totally automatic motion of your mouth without the requirement for keyframes
- **Step by Step Wizard:** Our simple-to-follow wizard will even guide you through the procedure.
- **Mouth Interior Cartoon:** optional cartoon of their tongue and teeth - completely automatic and simple to fix.
- **Fine Tuning:** Easy And speedy fine-tuning in addition to the automated cartoon. Control how broad the mouth opens and also the way that it deforms with suitable sliders; fix the form of the closed or open mouth and placemark at points in which you feel that the mouth must have more of the O-shape.
- **Works with almost any Speech**

New Changes:

- compatibility and bug fixes
- fixed issues with foreign language versions of CC 2020
