

Nature Logo Reveal (Motionarray 855665) - AE Project

2025-02-10 16:48:02 [label](#) [我要反馈](#) [下载页面](#)

Nature Logo Reveal is a fresh and distinctively animated Later Effects template. It sports an animated camera that rotates around some trees and rocks to show your emblem. It comprises 1 emblem and one text placeholder. It is really simple to use, just edit the text, then drag and drop on your websites and hit render. It is possible to alter the colour of the text and emblem. Download this amazing looking AE template now. No plugins needed.
