The **Ricoh GR Presets Bundle** offers meticulously crafted presets designed to replicate the signature in-camera effects of the Ricoh GR, GRII, and GRIII cameras.

How to edit the contrast and color of images using presets in Lightroom?

You can edit your images beautifully using the "Ricoh GR Presets Bundle".

With thirteen Lightroom presets and thirteen video LUTs, this bundle allows users to effortlessly apply the iconic Ricoh GR looks to both photos and videos.

"Ricoh GR Presets Bundle" Samples:

From Black and White presets to Hi-Contrast, Positive Film, and Printed Photo effects, this bundle caters to various photography genres, including street photography, lifestyle shots, and travel adventures.

Additionally, two bonus modifiers provide further customization options, allowing users to add or remove grain, noise, and sharpening effects. Experience the timeless charm and aesthetic appeal of the Ricoh GR, elevating your photography and videography to new heights of creativity and expression.
