#### Bilearn Modern Script Creative Market - 289659799:

Bilearn Script is a sophisticated modern typeface designed with a focus on elegance and versatility. Featuring unique alternates and swashes, this font is ideal for use in high-end branding, including logos, invitations, magazines, packaging, and various forms of advertising. Its refined and flowing design makes it suitable for formal applications such as greeting cards, fashion-related projects, and stationery. With support for multiple languages and OpenType features, Bilearn Script provides rich typographic options for designers seeking a polished and expressive type solution.

- Uppercase and lowercase letters
- Numbers and punctuation marks
- Alternates and ligatures for enhanced design options
- Multilingual support for global usage
- PUA (Private Use Area) encoded for easy accessibility
- Full compatibility with OpenType features and Glyphs panel, recommended for use in Adobe apps and Corel Draw
