A massive sound collection that can increase the size and scope of your work with just a click button and at a mere pennies a click. Don't let these incredible sounds scare you away from what lurks within the shadows of your recording studio or the magnetic encoding on the hard disk. Instead, make use of the corrupting force from the dark, sly Bane Cinematics collection and you'll be able to create an image in stunning audio using this vibrant emotional, savage and empathetic collection of sounds that can make you the villain's misery and even the existence of your.

This collection is hand-curated and offers the full range of complementing sounds to make massive mixes and intense experiences that elevate blood pressure for the listeners you are consuming your audio. Cinematic effects, risers, flybys, thuds, strikes drones, whooshes power shots, and the like. Through Bane Cinematics, you can take on your project head-on and unleash some sound effects in the next scene of destruction, devastation or devastation and achieve it in style. Take advantage of Bane Cinematics and pack a destructive punch in the next film you make!
