LIVIATICA – Display Font - MyFonts: Liviatica is an elegant serif with a distinctive letterform. This font has been designed meticulously to ensure top quality and a luxury feel. The letterform of this font is distinct and stands out better than the typical serif fonts. It is ideal for logos and headlines, tittle as well as other formal formats like labels, invitations as well as magazines, logos, books and wedding/greeting cards packaging, fashion, makeup, stationery novels, labels, or any kind of advertising.
