#### Instagram Countdown (Videohive 53235121):

**Instagram Countdown** is a customizable template designed for creating dynamic countdowns in Instagram stories. It includes:

- **32 Text Placeholders:** For customizable text.
- **6 Logo Placeholders:** For branding.
- **9 Image Placeholders:** To add visuals.

Compatible with DaVinci Resolve 17 and later, the template is available in Full HD resolution (1080×1920) and lasts 13 seconds.

It does not require any plugins and features easy color control for quick customization.

Audio and preview images are not included, but it offers fast rendering for efficient workflow integration.
