

Awards Pack (Videohive 34003220) - AE Project

2025-02-10 16:58:56 label 我要反馈 下载页面

Awards Pack (Videohive 34003220) - AE Project: Awards Show is a unique professional collection pack designed for After Effects with a modular structure. It can be utilized for creating videos for Your event, wedding, party, Awards, and other events. It is simple to edit. It could also be used to promote announcements, teasers, nominations, films festivals, corporate events, intros, Oscar, Grammy, music and TV awards ceremonies, modern videography project music events, night party Christmas celebrations, promo videos, fashion shows, the opening of an event portfolio, demo reel wedding stories, unique event fashion/photography slideshow and more. The video tutorial is complete, which will help beginners easily understand how to edit this project—a must-have project for motion designers, wedding videographers, and photographers. I hope you will enjoy this project. The information about fonts is available and included in this help document. If you have any queries or issues with the project, email me, and I will assist you!
