Fashion Media Opener Mogrt (Videohive 28207458): "Fashion Media Opener" is an easy-to-use MOGRT application that allows you to design promos, openers, as well as intros to the Fashion Video and Fashion store requirements. This is a great tool to create video or image slideshows, showreels, fashion demo, stylish promo reels, presentations, TV/show, or additional media openers. It can be used to make promos in stores or promotions for fashion shows, events Models night Clubs Parties, and sales promotions for your costumes, or other fashion-forward items. This template is able to showcase the services and products of restaurants, fashion shops, or other online stores as well as other products.

- Premiere Pro CC 2019 and above
- After Effects CC 2019 must be installed to insert your video logo and media into the placeholders
- After Effects, the project has a Modular Structure. Total 10 Scenes.
- The rest of the work can be accomplished within Premiere Pro using the Essential Graphics Panel
- If you wish, you can utilize the MOGRT image and make the title sequence, without logo and media. You can also keep the BG solid ON by using the Essential Graphics Panel in Premiere Pro CC 2019. The color that is used for the BG Solid can be changed in the Premiere. No need to use After Effects CC 2019.
- You can also use the MOGRT file you downloaded as an overlay on the top of your video switching off using the Solid BG Solid or Media Placeholder Solids within the essential graphics panel of Premiere Pro CC 2019. There is no Need for After Effects CC 2019.
- Simple to edit the text (except their position and the size of the base text) their colors with the Essential Graphics Panel in Premiere Pro and then turn off the particles lines, elements, and their colors using the Essential Graphics Panel.
- High Definition 1920x1080.
- There are no Third Party plugins used.
- Easy to make use of
- Easy to modify and modify
- Easy to read PDF help document included in which you'll learn how to modify this template easily
