

Colorful Event Promo (Videohive 33926710) - AE Project

2025-02-10 17:14:14 label 我要反馈 下载页面

Colorful Event Promo - AE Project VH-33926710: After Effects templates for creating fashion event promos, business forum intros, and corporate conference openers. It can be used to promote an exhibition or workshop, a training, or a meetup. To present the program, speakers, partners, and tickets, and to invite sponsors and participants,

This template is vibrant in color and has a positive atmosphere. It contains all the necessary components for event promotion. You can modify the order and duration of the videos by using the modular structure. Our template makes it easy to motivate and encourage participants.

Your design, calendar, speakers, and ticketing system can be displayed. It is easy to use and flexible. It can be used for many different topics. You can set your color preferences with Color Control and adjust the speed of your video. Once you have your text and music, you will be able to create a promo that reflects your brand's style and atmosphere.
