Ultimate Loops present Deep Melodic House 2, A unique collection of ready-to-use loops and samples for House producers who want a deeper, more musical sound. Sub-heavy Bass-lines and speaker-cracking drums loop-loaded synth lines, section lifting FX, and hypnotic vocals comprise just a fraction of this incredible release. Created by our in-house team of music producers, the pack contains 100 of the most recent loops by your favorite sound designers. Create full tracks by choosing all of the loops included in the construction kits or be creative by adding your own sounds to create your next amazing track. The fans of Spinnin Deep, Ultra, Aus Music, Booka Shade, Dusky, and Noir will consider this pack to be an essential addition to their own personal audio collection. Our high-quality 24bit Wav files are synced at 122 BPM and key-labeled when needed.
