## Unreal Engine - Hospital - COMBO Prop Pack (VOL 1-6):

This project encompasses all assets, maps, and materials meticulously crafted within Unreal Engine to deliver a visually stunning AAA-quality experience. Created by Dekogon Kollab Artists, each asset is designed with realism, style, and efficiency in mind.

- High-quality texture sets, with most textures exceeding 2048 pixels
- Comprehensive master material setup, governing a majority of props and models
- Additional controls for adjusting roughness, albedo, normals, and more
- Channel-packed textures for Roughness, Metalness, and Ambient Occlusion
- Optimized specifically for gaming environments
- Includes a dynamic lighting test scene for assessment and experimentation.
