We've been working on graffiti for quite a while and in recent times we've seen an increase in demand for specific materials for those who prefer to do graffiti digitally. As graffiti artists who specialize predominantly in drawing in analog We've spent a lot of time making hand-made resources in the analog way to use digitally with Procreate using Procreate with the iPad Pro and Apple Pencil. We've also looked at what works and what's not, and created our own comprehensive brush sets. We created sets of brushes with splashes, drips, and some stencils of graffiti tools, allowing users to create a flawless possibility of making.

In Graffiti Brush Procreate #2 will allow you to create your own ideas when creating digital work using analog elements that look real. You can utilize it to design lettering patterns posters, flyers, and posters or create any other design with no limitations. You can design whatever you like.

Dans Graffiti brush procreate #2 includes 5 amazing graffiti brush.
