### What is Stashmedia – Stash 156?

Stashmedia is a website and subscription-based service that provides a curated collection of creative and visual content, including animation, motion design, visual effects, and other related materials. They often feature outstanding and innovative work from various artists, studios, and agencies in the fields of animation and motion graphics.

"Stash 156" refers to a specific release or issue of the Stash collection. Stash releases new collections periodically, and each release is assigned a number. These collections typically include a selection of the latest and most notable projects, short films, commercials, music videos, and other visual content from the world of animation and motion design.

The content featured in Stash collections often showcases cutting-edge techniques, creativity, and trends in the industry. Subscribers to Stash have access to these collections, allowing them to stay updated on the latest developments and sources of inspiration in the field.
