Landscape Pack Landscape Pack is a 21-texture pack designed to enhance your images from the minimal to the highest. The overlays are able to boost the color of nature or provide an individual color scheme to your photo. It is possibly the most flexible texture pack that is guaranteed to improve the overall quality of your landscape photography.

It includes 21 high-resolution - 4000x4000 pixel textures, with an unlimited commercial license.

Use The pack should be utilized using "Overlay" or "Soft Light" Blending options within Photoshop, Photoshop Elements, or any other software that allows layers of images using blending modes. Make sure to play around with different blend modes to create more creative designs.
